Abram Freer, Hsq., of Rockbridge, Greene Co., Ill., writes: "My wife had a severe attack of pleurisy and lung trouble; the doctors gave her up to die. She commenced taking Dr. Pierce's Golden Medical Discovery and she began to improve from the first dose. By the time she had taken eight or ten bottles she was cured, and it was the cause of a large amount being sold here. I think the 'Golden Medical Discovery' is the best medicine in the world for lung trouble."

LION FOUGHT A BULL.-Yesterday

afternoon in the Juarez bull ring, across the Rio Grande and on the Mexican side of the border from El Paso, a Numidian lion and a Samala Mauck Mex can buil fought each other almost to the death. The fight was held in an octagon cage 96 feet in circumference, which was securely fastened in the center of the bullring. The bull was first decoyed into the cage and directly adjacent to this was placed a smaller cage containing the lion. At a blast of the trumpet the lion was admitted from the emailer to the larger cage. The doors of the lion's cage and the bull's prison were automatically closed and the smaller cage rolled back to the eide of the ring, in order that the specia-tors' view might not be affected. Then followed the roaring and bellowing, the crouching and charging, the spring of the lion, the mad plunges of the buil, the lacerating of the buil's fissh and the animal's terrible injuries from the biting

and clawings of the lion. TRIED BY HIS OWN WIFE,-Mrs. Ether Morris, whose death has just occurred in Cheyenne, Wyo, was born and lived for many years in Oswego, N. Y. She was known as the mother Esther Morris, whose death has just N. Y. She was known as the mother
